Re: Changes on the Executive Board

## Please share this information with your Unit.

We hope this notice finds you and your families safe and healthy during these trying times of COVID-19. Your Executive Board has continued to meet monthly via conference calls during the Stay Home, Stay Healthy order in Washington State.

The Executive Board has experienced a few significant changes that we want share with the membership. Over the past few months there have been two resignations on the Executive Board that have led to Officer position changes on your IBEW Local 77 Executive Board.

President Rick Johnson and Vice President Brady Hansen have resigned. We would like to thank them both for their many contributions to IBEW membership over the years. We wish them well and the best of luck with new and old adventures in their lives.

The Executive Board has approved the appointment of Damian Hernandez as President, Rick Lutin as Vice President and Helen Berglund as Recording Secretary. In addition, we would also like to welcome the recent appointment of Scott Hines to the Executive Board who is representing District 1.

Currently we are in the processing of filling two Executive Board vacancies. We are seeking one member from each District 2 and District 4; if you are interested please see the postings on the Local 77 website and contact meghanwright@ibew77.com.

The Executive Board will continue to conduct business via conference call and the internet until it is safe to do otherwise. The new officers look forward to their new roles and responsibilities. Together with the Business Manager, we will work to grow and strengthen our great union.
