RE: Preliminary Accident Report

On Wednesday, June 3, 2009 a Lineman had a primary contact in Anacortes, WA. A four man crew was changing out a pole, macking out a neutral two spans away in preparation of the pole change out. A temporary neutral jumper was being installed when the Lineman was injured. 911 was called and he was transported to Island County Hospital before being air lifted to Harborview where he remains at this time. He sustained entrance would left hand, exit wound to right elbow.

More details will follow after a full investigation is completed.
