Want to reach out to your fellow members and talk to them about the benefits of Union membership? This is your chance! Not sure what to say? Don't worry, each new attendee is paired with somebody that has participated before and heads out to speak to the Membership together. This is a fun and easy way to get involved with IBEW Local 77 and to help empower other members.

Please come out for an evening or two!

We need your help to reach our Members!
