**Details:** The Local 77 RENEW team will be dashing around 10:20 A.M., but if there are not slots available for this wave time, that's ok, just select any time available. They are not strict about enforcing actual wave times at the event and we will all still be able to dash together! Just meet us under the banner with the Local 77 RENEW Logo (also on this flyer)! Our team name is "IBEW 77 RENEW."

Filthy Fun for Everyone! The Dirty Dash proves that anyone can "play dirty." This filthy 5K empowers couch potatoes and athletes alike to put on their running shoes. You don't have to be tough to play dirty - it's the mud run for everyone!

**What to Expect:** Our sloppy mud pits, slides, and foam baths are prepped for even more filthy fun than ever before. You'll need moxie to trudge up mountains of sludge, courage to overcome obstacles, a complete lack of shame to wallow in pits of mud, and a smile to shine through that dirt-covered face of yours.

**Bring your family & friends!**

RENEW will not be responsible for cost accrued at The Dirty Dash. Attendees are responsible for their own signup fees and charges.
