Dignity, Justice, and Fairness in the workplace

WHY I SUPPORT MY UNION!

Unions like IBEW Local 77 are some of the few remaining organizations that advocate for working people in these changing times—when employers are expecting more out of their employees for less—Unions are there to ensure that your pay is fair, benefits are stable, and everyone is treated equally, with dignity and respect, in the workplace. Through your dues, you are supporting activities that build a strong contract and workplace, which helps sustain families and the economy. Thank you for your membership, your continued involvement, and your commitment to your Union, IBEW Local 77.
