Or Shriner's donation website <https://donate.lovetotherescue.org/>

In these Covid times we are requesting anyone who attends services at the church and graveside wear a mask. masks will be available . The celebration in August will be held outside and hopefully it will be a better time for a get together. Please be safe, John would not want anyone to attend if they felt compromised whatsoever and neither do we. These are different times. Thank you for respecting what he would want.

Debbie, and all John's families
