

JOEY MELL

IBEW Local 77 regrets to share the passing of one of our Brothers – Joey Mell. Joey was a Journeyman Line Clearance Tree Trimmer and has been a member of Local 77 for 14 years.

He was an active member of the IBEW, particularly through Local 77's RENEW Committee. If you ever attended one of the RENEW events, you could not miss Joey's vibrant personality. Here are what friends and co-workers have to say about him: "This is truly heartbreaking news. Joey had a personality that was contagious that couldn't help but bring laughs to your day. This is truly heartbreaking, and he will surely be missed." "A great young man. My greatest apprentice." "One of the most badass dudes I knew. RIP." "Fly high Brother! Your smile and heart lifted us all. You will be missed!" As we hear news of any scheduled events for a memorial service, we will post here to let you know. My sincerest condolences to his family for an incredibly great loss. Joey will not be forgotten by his Union family. Rex Habner
