IBEW 77 Reaches out in Idaho!

Your IBEW Local 77 Political Action Committee (PAC) exists to give you an equal opportunity to be heard in the political process. We support candidates and members running for public office who support our pro-worker agenda, regardless of political party! Our political agenda is NOT about the party, it's all about the issues. In March of 2019, a group of members attended the Kootenai County Republican Central Committee Dinner. We talked about the work we do as electrical workers, the need for safety on the jobsite, and fair wages and benefits. We plan to attend more events in the future, and could use your help!

If you are interested in learning more about your PAC, and would like to get involved, please contact our Political Director Sean Bagsby at 206-639-0748 or seanbagsby@ibew77.com.

Thank you for keeping IBEW 77 Union Strong!
